What Our School
Means to Us . . .

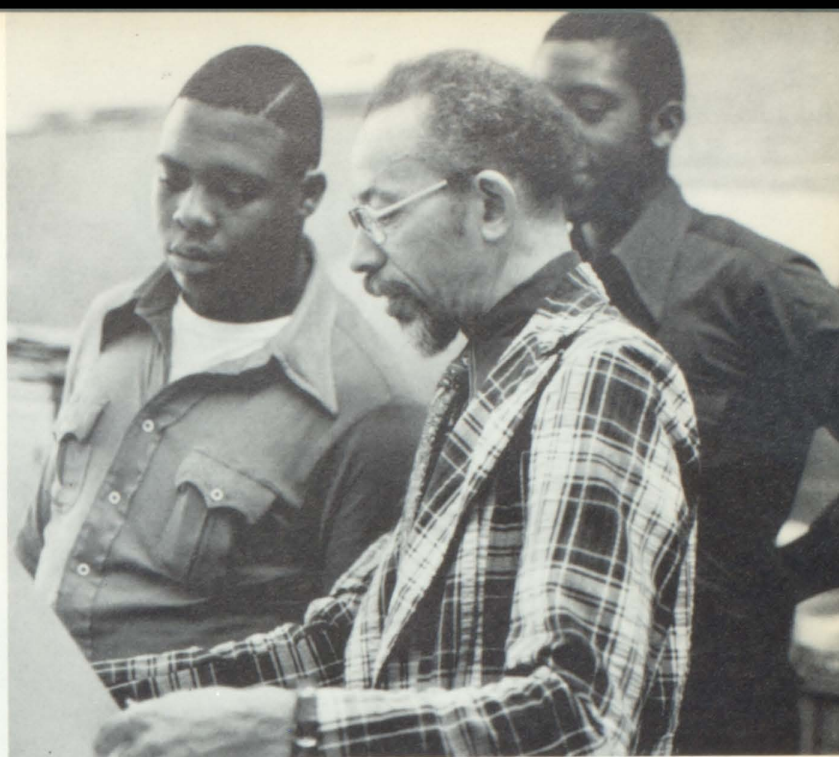

is for Creative. Involvement takes a willingness to give of yourself. We can all offer something different. Leadership abilities or artistic and creative flair. Talents great and small, visible or hidden. That's not important. What matters is that we are willing to share our time and talents so that others may benefit.

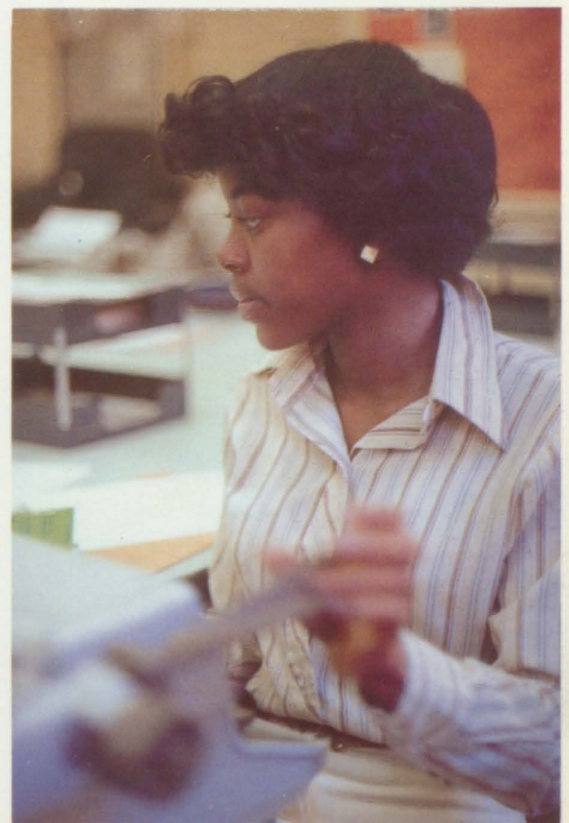

E

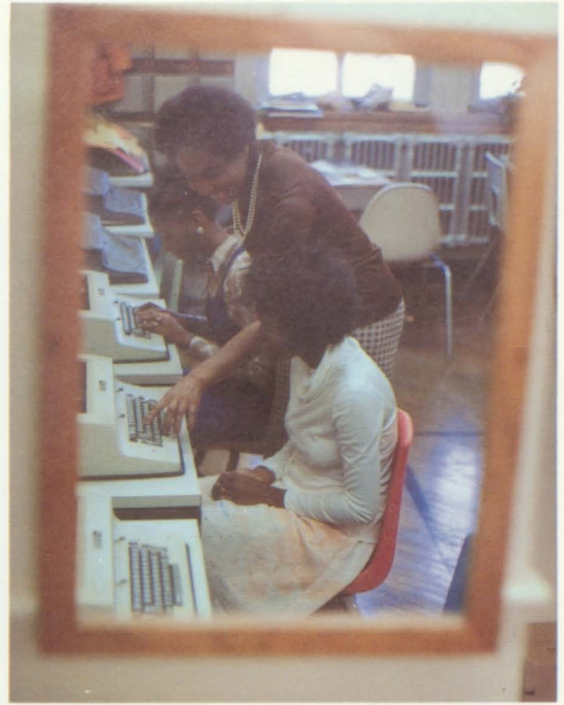

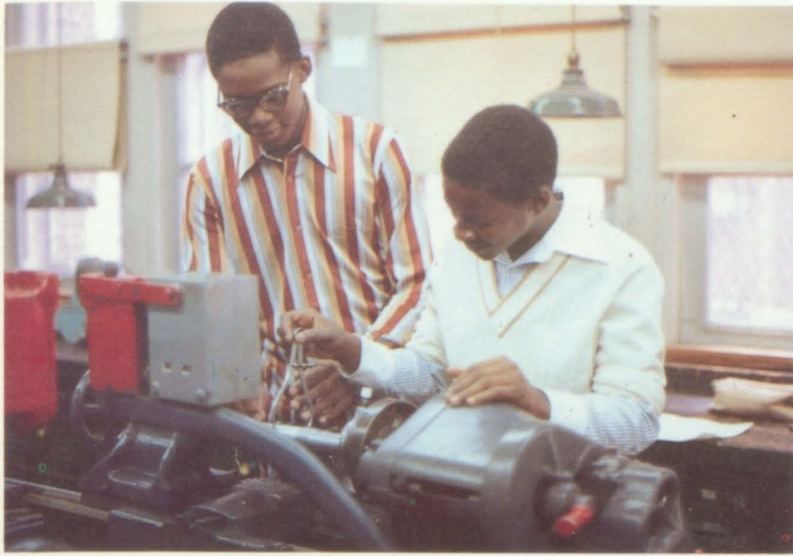

is for Education. The Education we received at Central will enable us to pursue a higher education and also our career objectives.

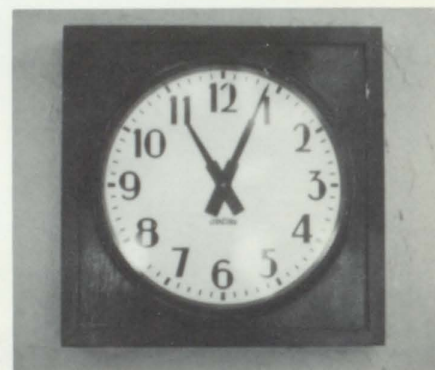

N is for the Necessary items that we have confronted during our four years — books and more books, lockers, pencils, labs, notebooks, typewriters, passes (Hall, Nurse, Late, Guidance) cut slips, parents note, intercom, keys, CLASS DUES, suspension list and most of all a watch to beat the tardy bell!

Tis for Time — As we look back and remembered the happy times at Central feeling the rewards of hard work and dedication. At other times, we felt all alone; isolated in the midst of a crowd. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. It was our year molded by the vast and diverse character of who we were and had become.

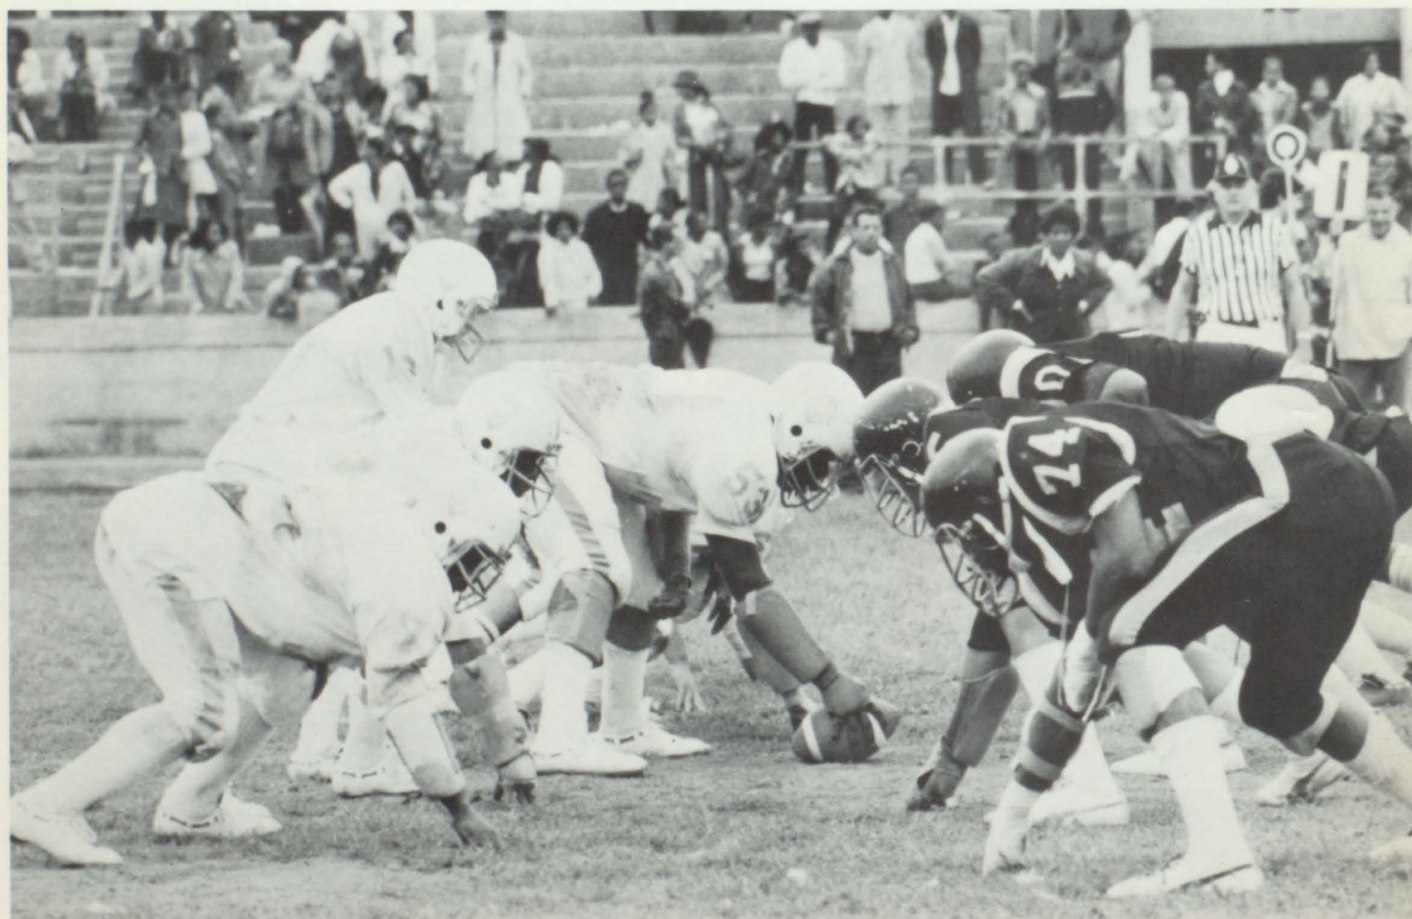

R

is for Relationships. We receive two types of education at school — academic and social, each as important as the other. Relationships in which we can talk and share on a one to one basis. This strengthens and helps us grow more independent.

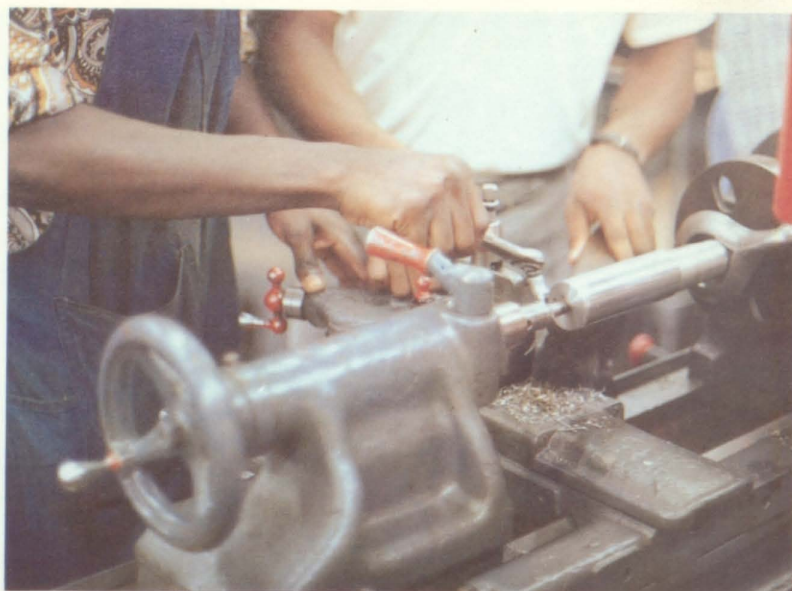

A

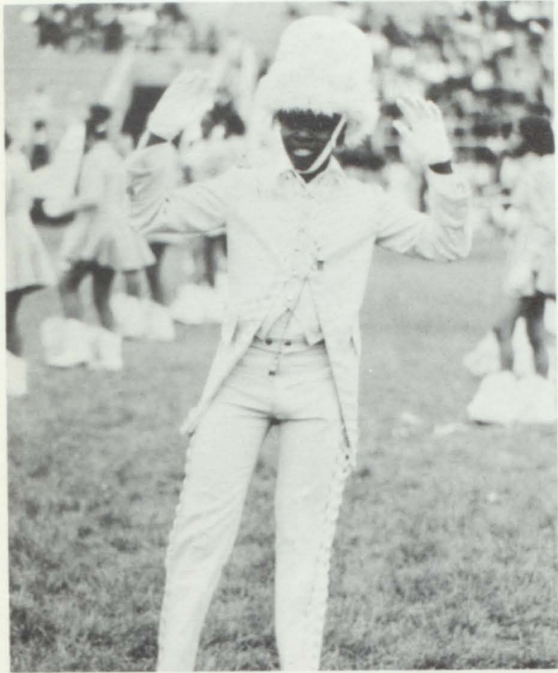

is for the Activities — the Cheerleaders spend drawn-out hours perfecting yells and going over their routines. Band members puff until they're all puffed out, trying to reach that highest note. The Blue Devil Football players lift weights and run through the drills, ignoring the aches and pains, and the growing feeling that they've endured about all they can. Each group practices their respective activities, knowing that their performance will reflect their pride and love for Central High.

is for learning — our learning experiences at Central have been vast and rewarding. In keeping pace with the rapid advances of Education and Technology, new programs of learning were implemented into our academic curriculum. We were inspired by the concern of many of our teachers and grateful for the opportunities they developed for us.

* ALMA MATER

High above the busy city,
Far beyond all touch of ill,
Sits enthroned our Alma Mater,
Our dear lady on the hill.

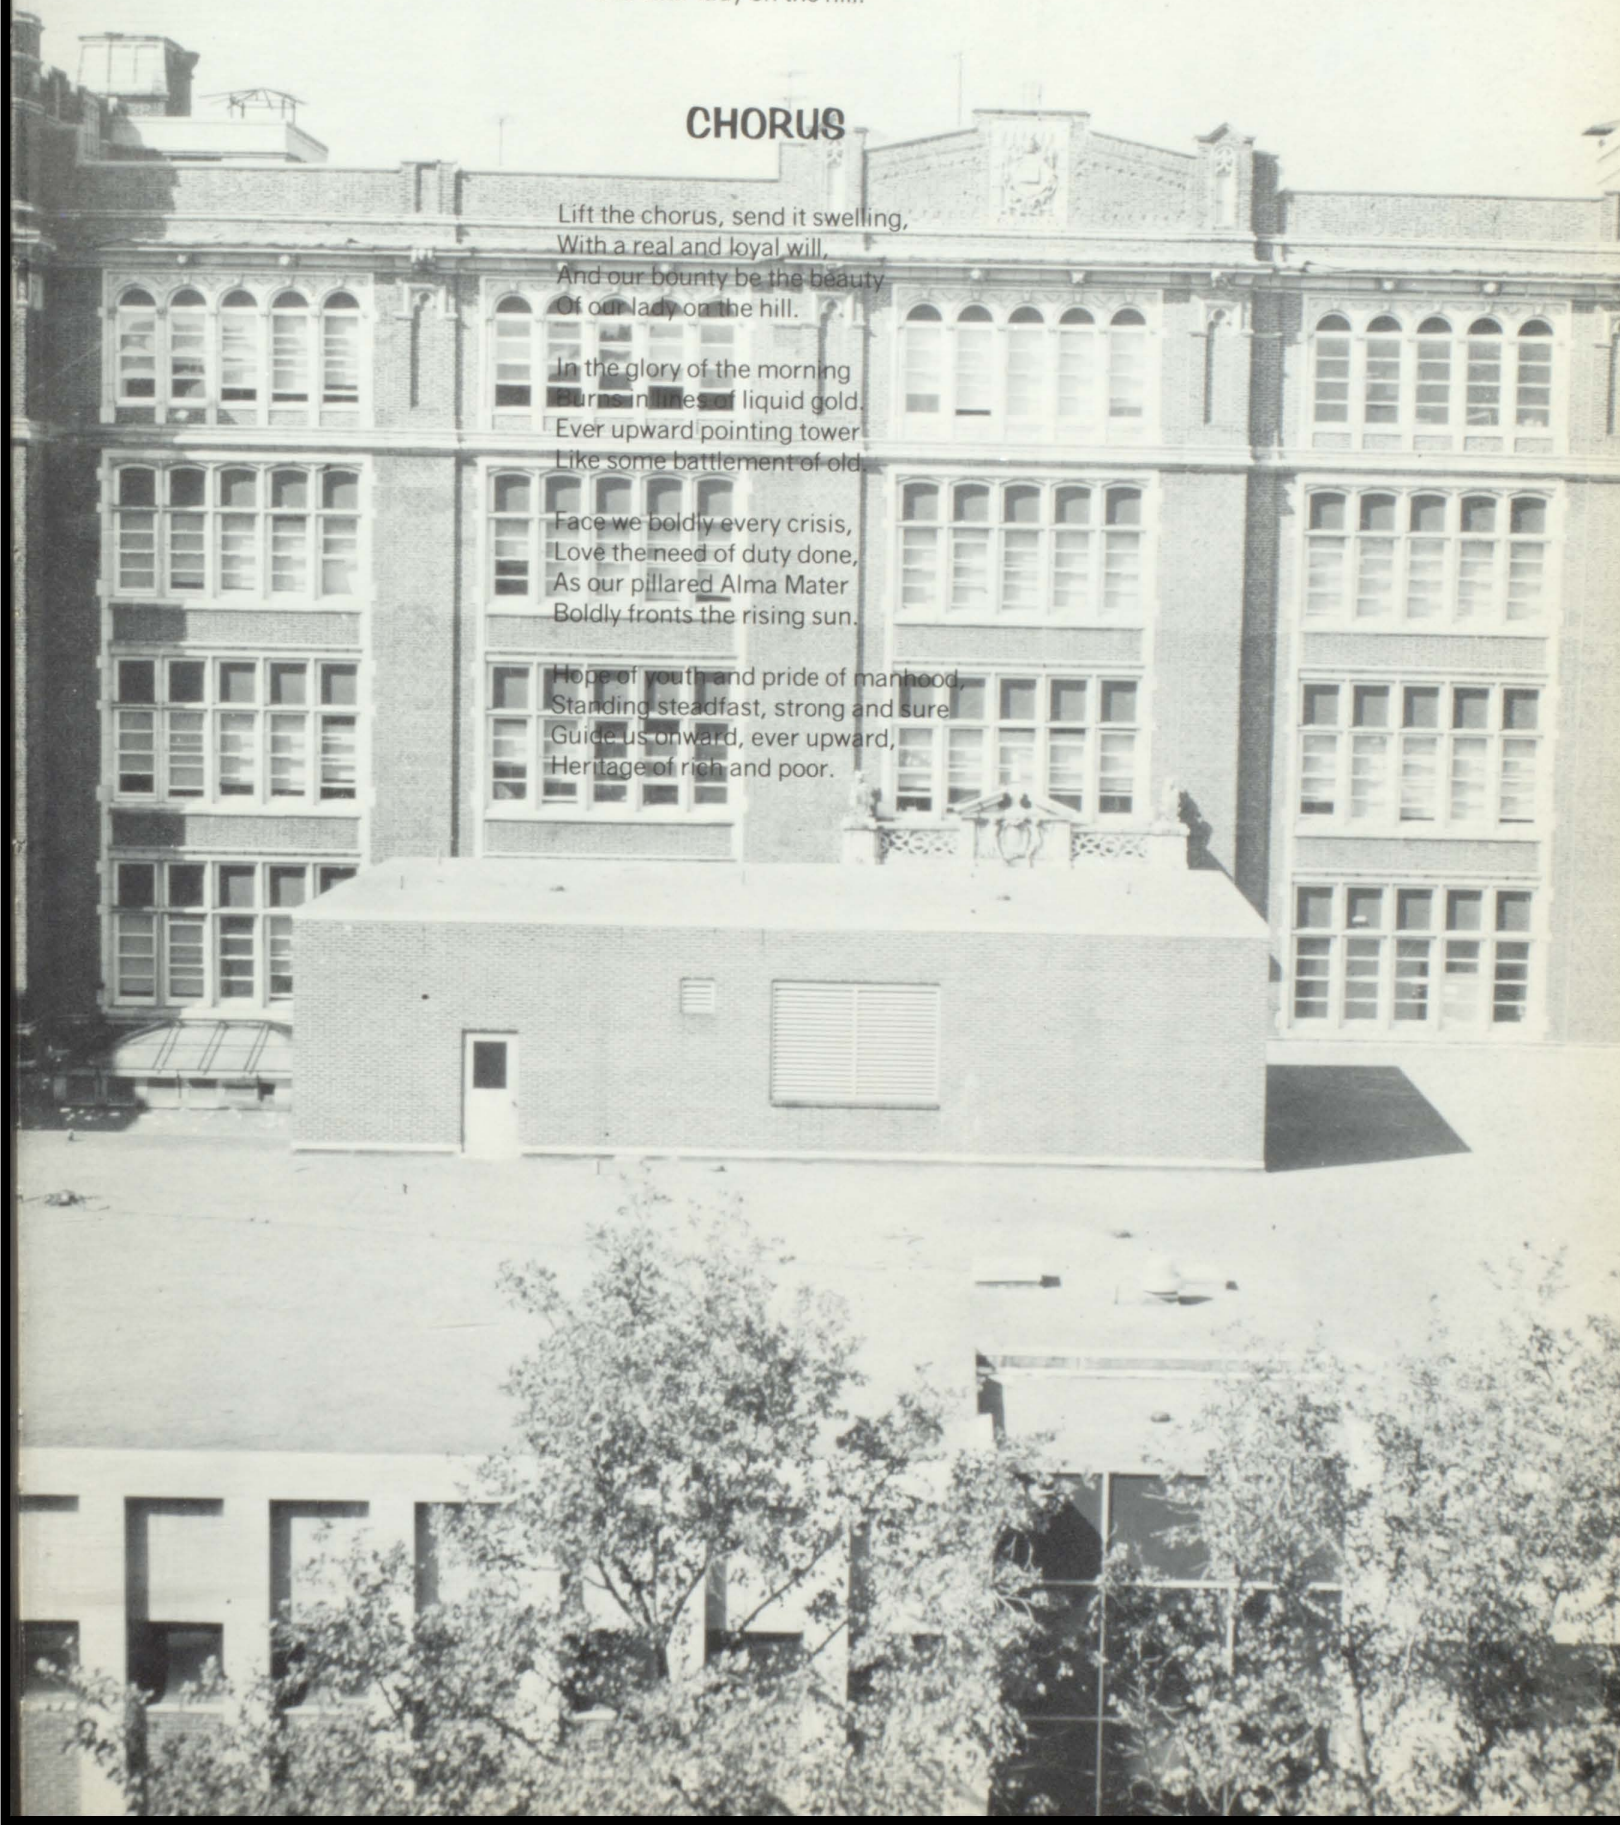

CHORUS

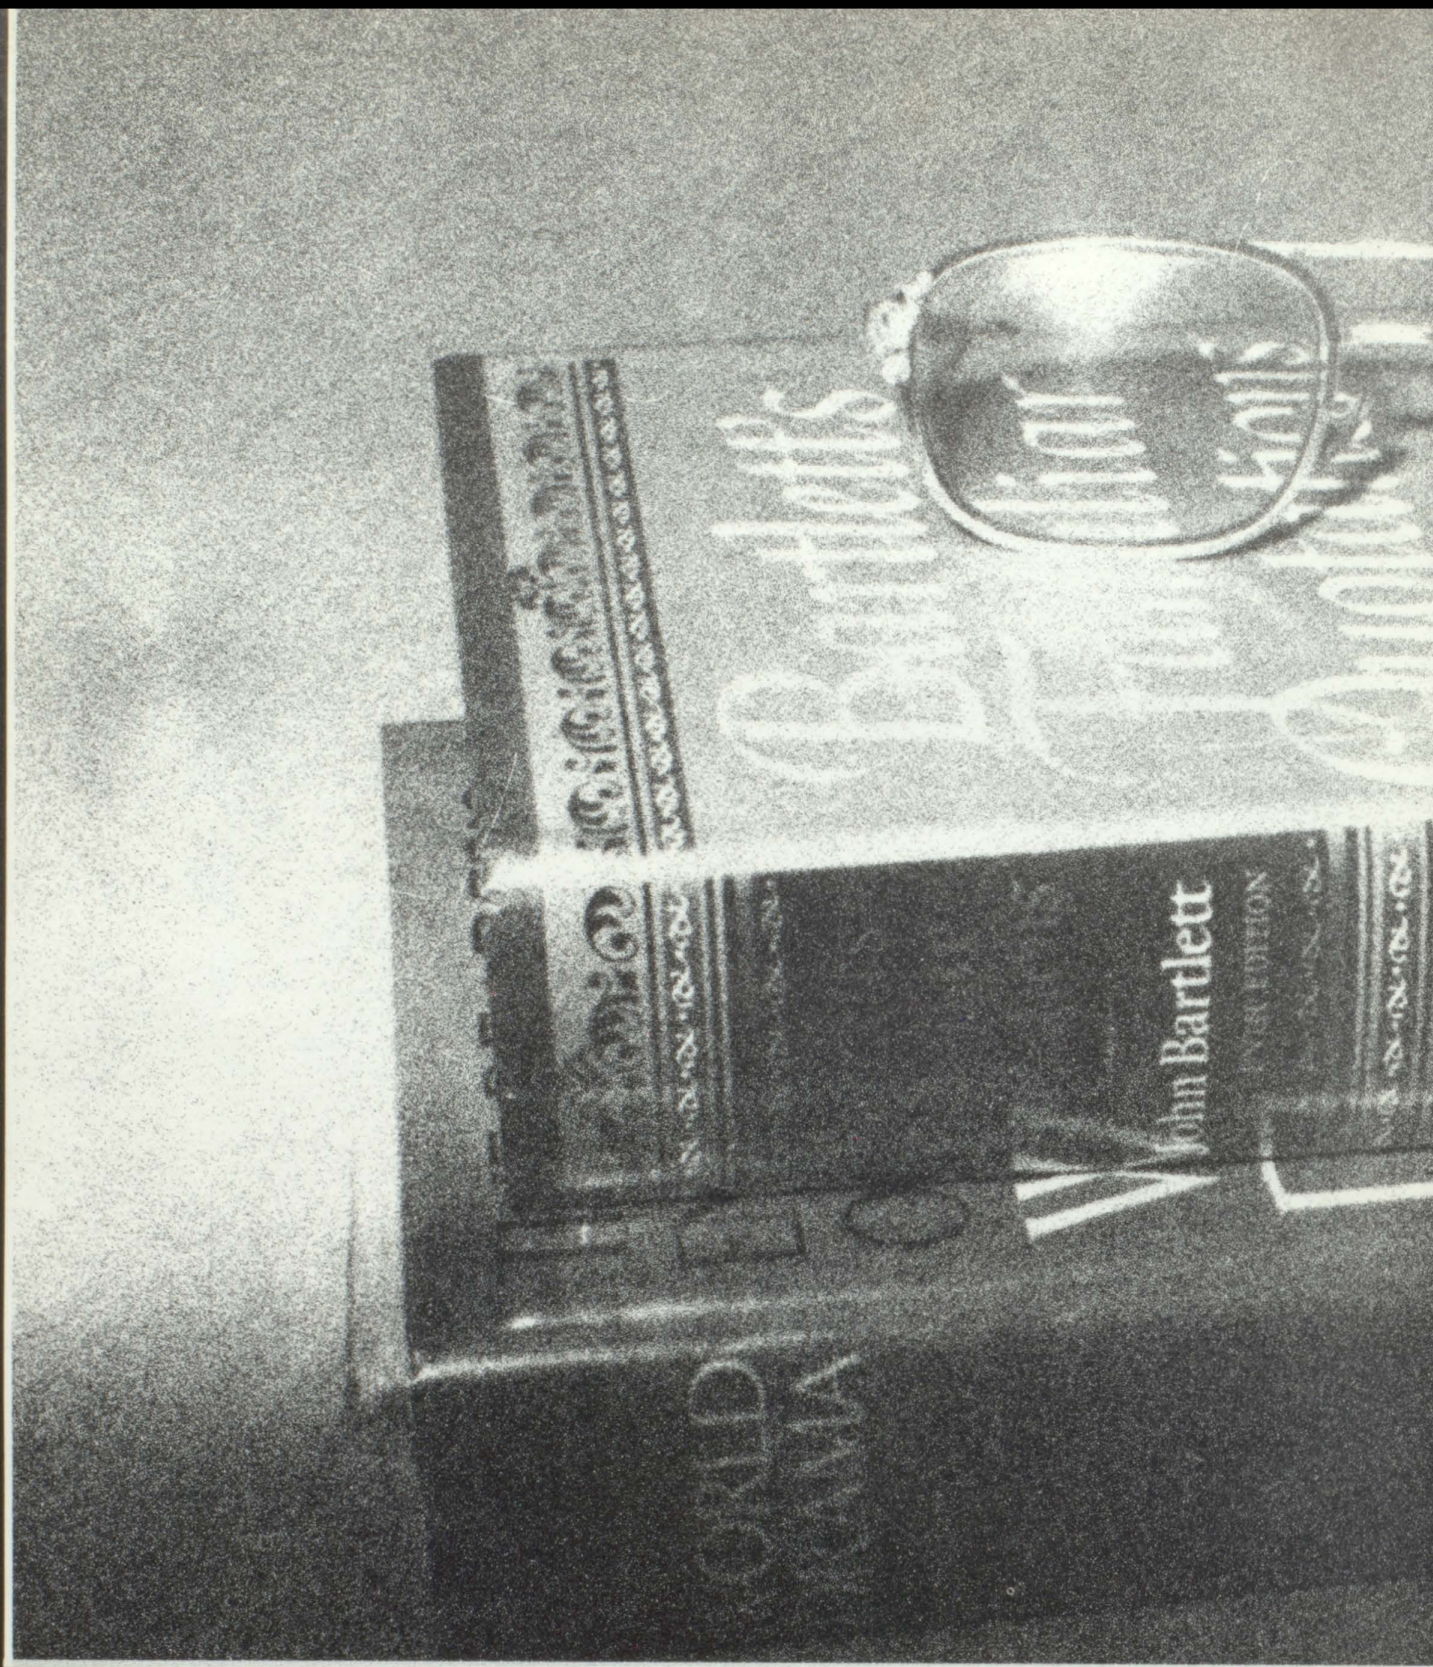

Lift the chorus, send it swelling,
With a real and loyal will,
And our bounty be the beauty
Of our lady on the hill.

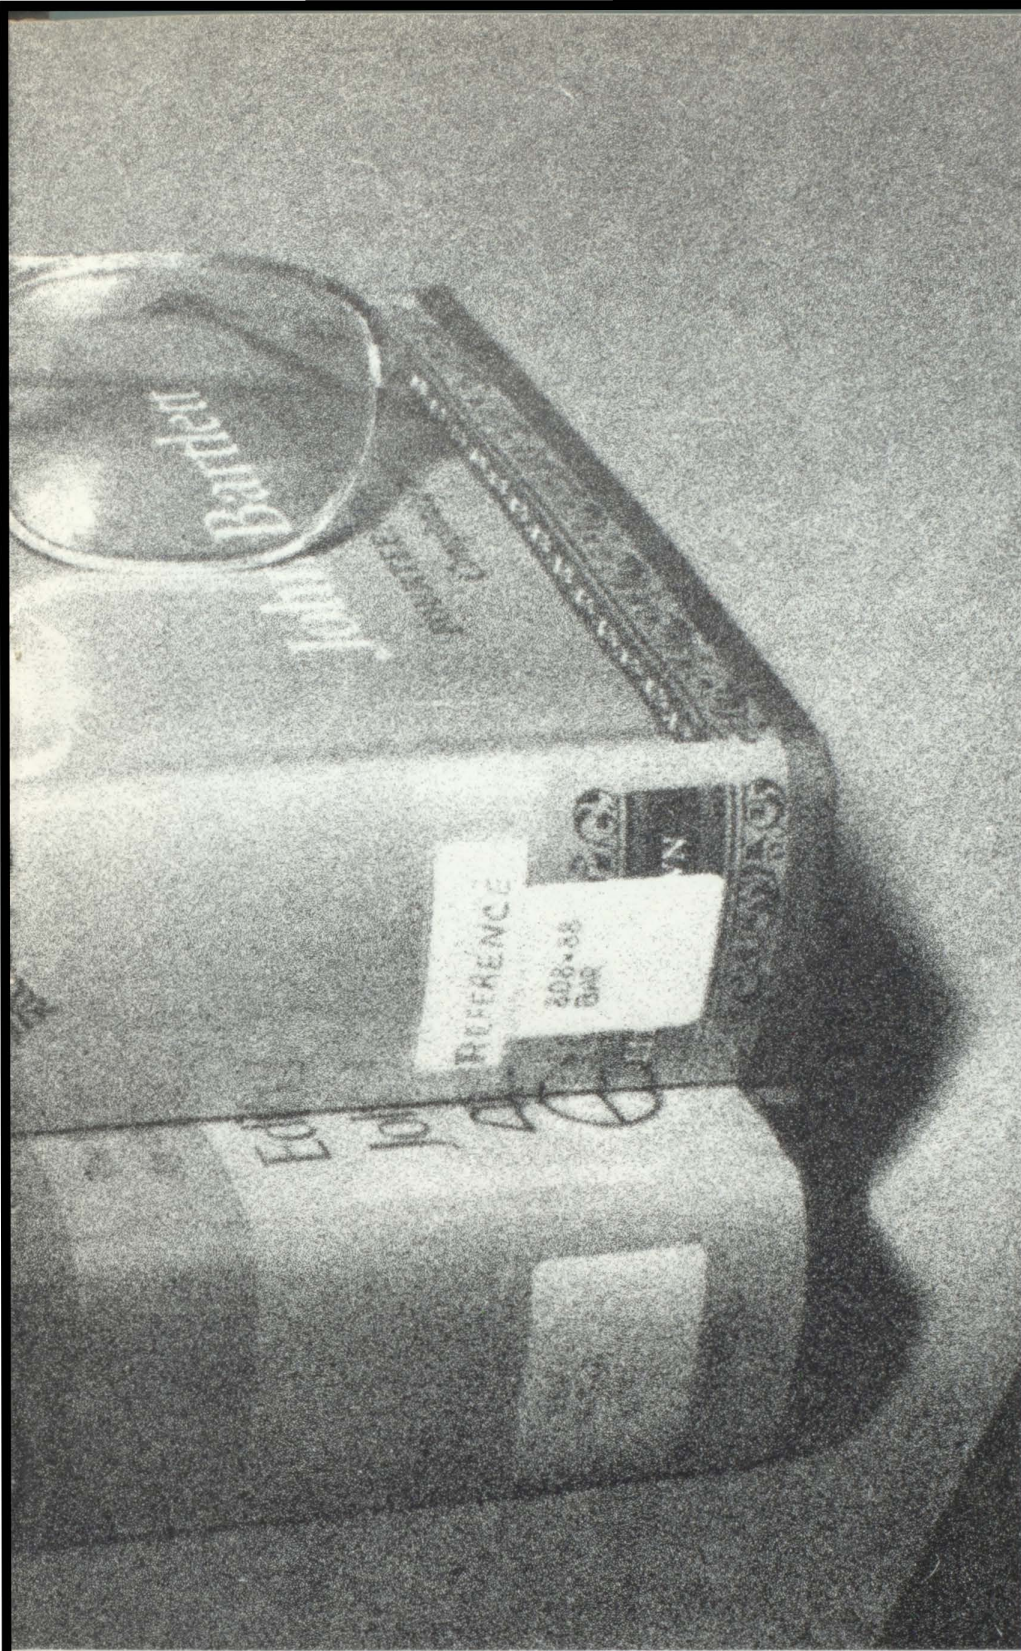

In the glory of the morning
Burns in lines of liquid gold,
Ever upward pointing tower
Like some battlement of old.

Face we boldly every crisis,
Love the need of duty done,
As our pillared Alma Mater
Boldly fronts the rising sun.

Hope of youth and pride of manhood,
Standing steadfast, strong and sure
Guide us onward, ever upward,
Heritage of rich and poor.

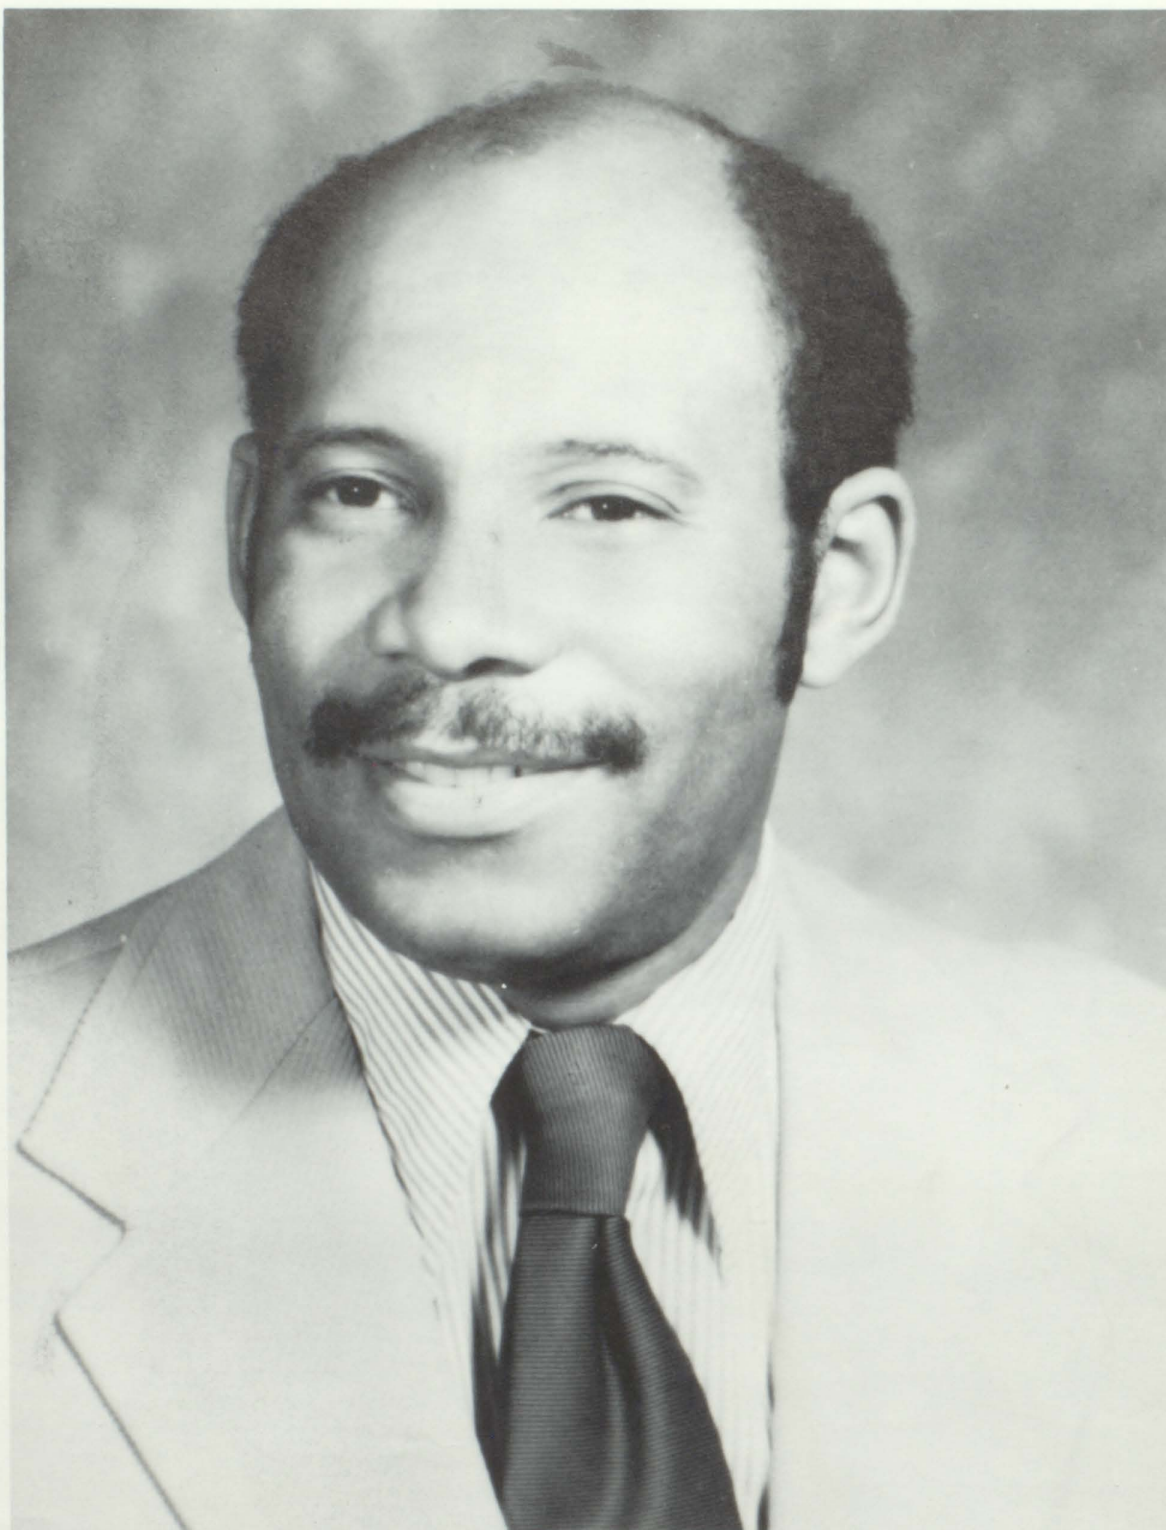

A D M I N I S T R A T I O N F A C U L T Y A N D

As They Have Passed Their Dreams on to Me,
So I Have Passed My Dreams on to You.

Principal

Mr. James Moore

Congratulations to the class of 1978! May you find in your future an abundance of joy and success.

Vice Principals

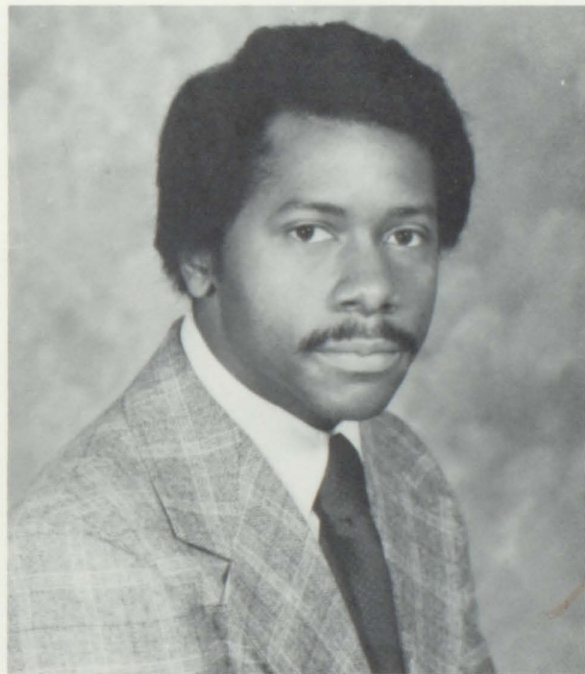

Mrs. Corrina Kay

Congratulations to the class of '1978.' I wish for you a life rich in service and happiness. Now you begin a search for personal success. May you succeed in that quest, may you cultivate a desire to work, and may you never forget that true happiness comes only from sharing your success with others.

Mr. David Blank

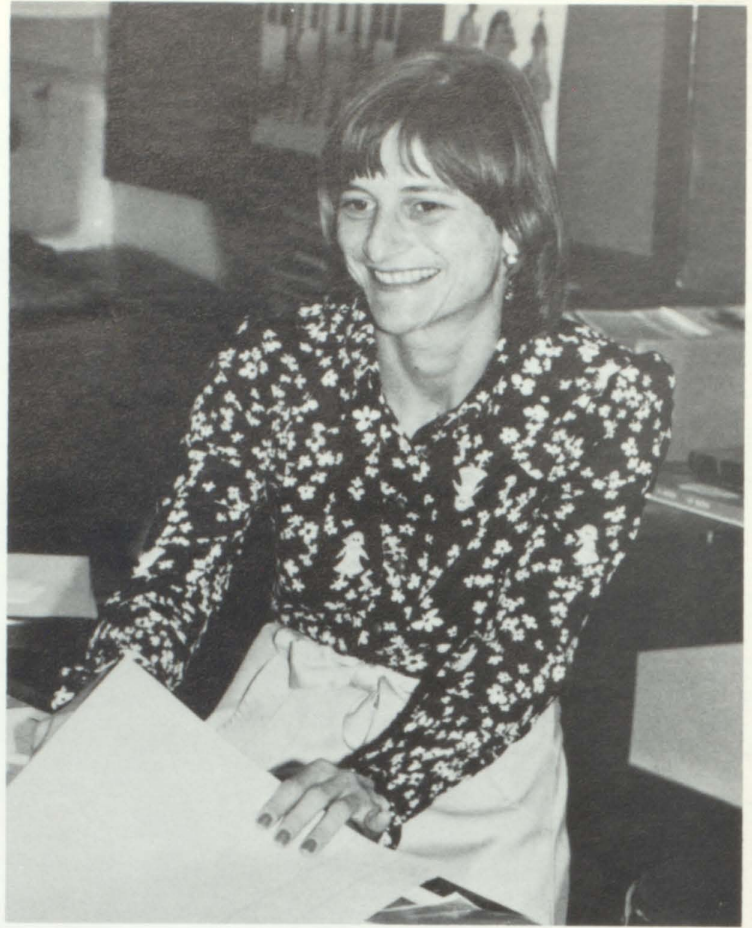

I congratulate the class of 1978 on graduation. The class has worked hard for twelve years, and its achievement is something in which to take pride, and to celebrate. But this is not a time to stop. It is a time to prepare for further achievement, and I can sense the class will accomplish much in the future.

Mr. Claude Bey

To the class of 1978, Congratulations to each of you and may your hard work continue to bring you happiness in the future.

Congratulations

Pierce Hampton

We the class of 1978, would like to congratulate Mr. Hampton on his appointment as principal at Webster Junior High School. We would like to thank him for his many years of dedication, devotion, and service as a teacher and Vice Principal. Our sincere appreciation and best wishes always.

In Memoriam

Mrs. Rowena A. Warren

Mrs. Warren was a true friend of youth and a sincere believer in the efficacy of education in removing the curse of ignorance and one who made many good things possible at Central High School. Her great character, broad culture, wide experience, and sympathetic understanding of youth, made Mrs. Warren an outstanding citizen, an unparalleled leader in our community, and a superior educator.

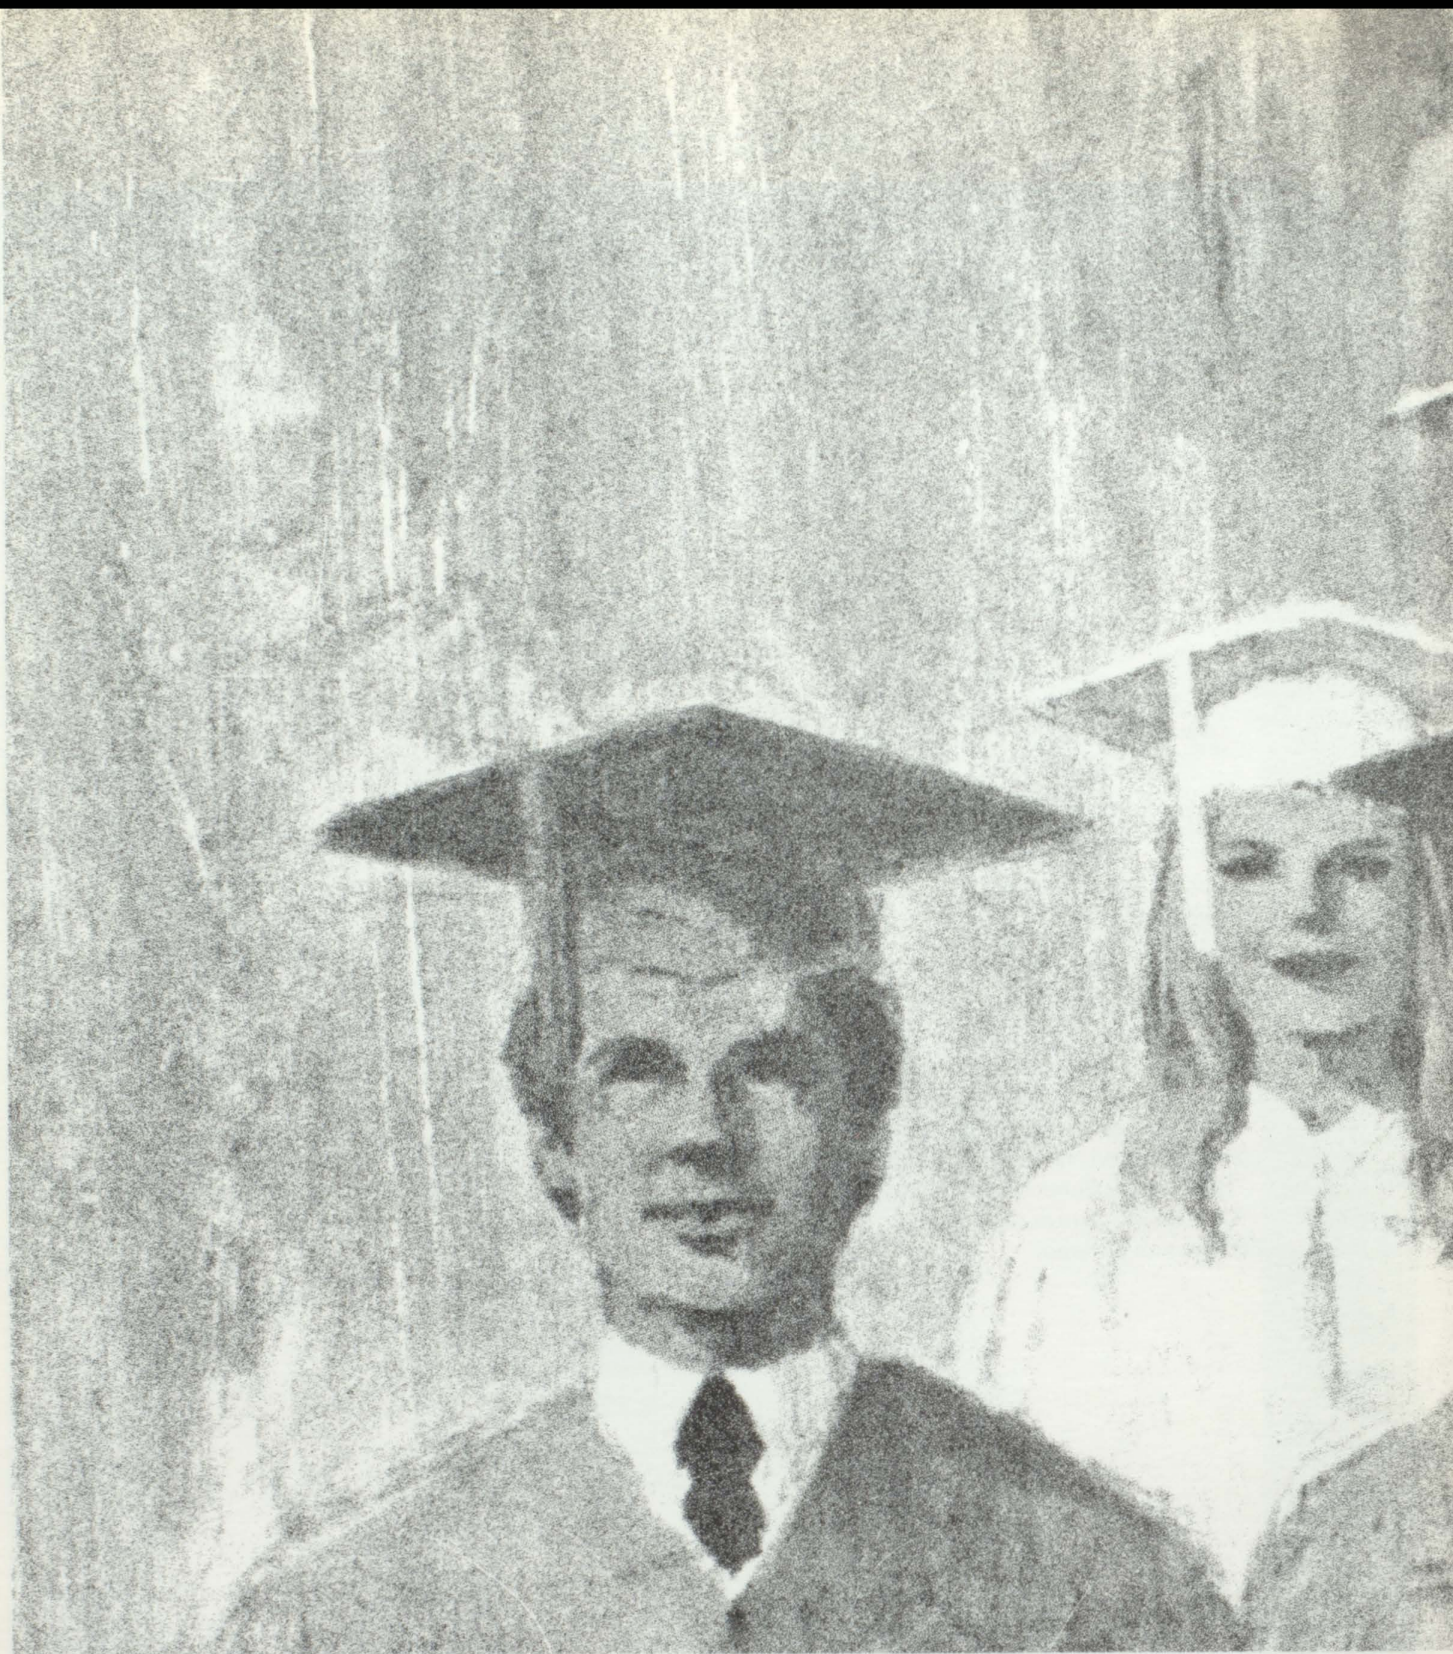

Mrs. Warren had a favorite word that she used many times at Central, that word is "DIGNITY." Mrs. Warren was the embodiment of the word Dignity. We hope that some of her great "DIGNITY" is now part of our lives.

Mrs. Warren's expertise in education extended far beyond the confines of Central High School. Many State and National organizations have benefited by her contributions.

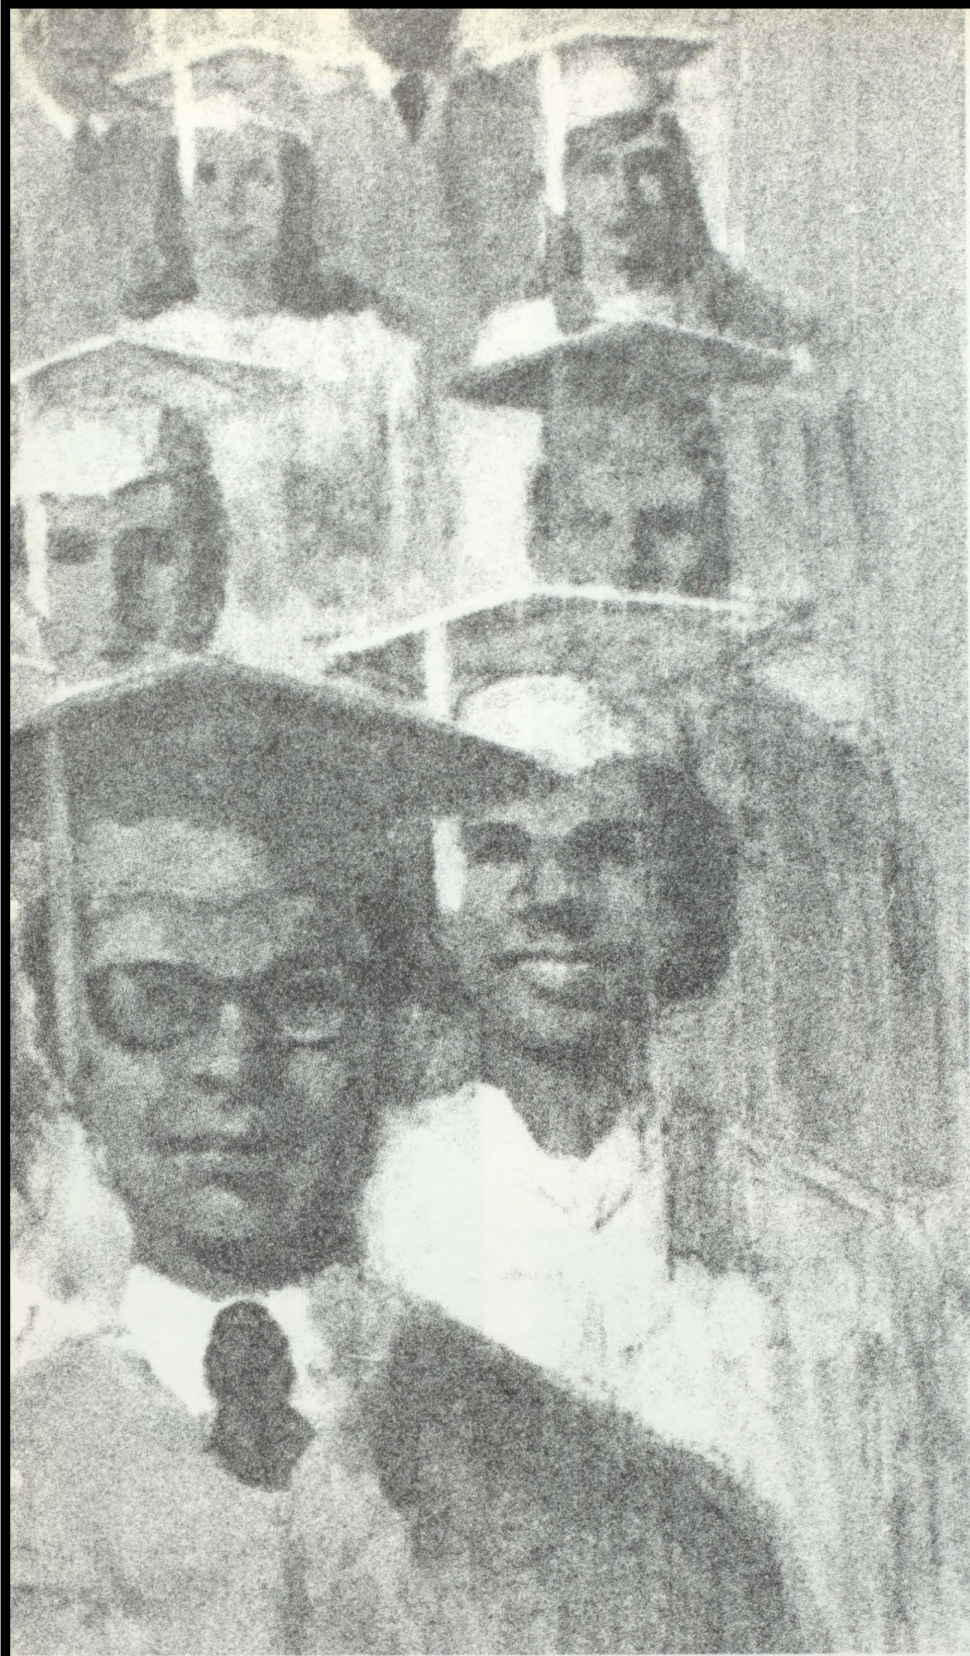

The Newark School System and this city are better and finer because of her many contributions.

Central will always remember Mrs. Warren, as a great teacher and Guidance Counselor.

For she was a friend!

One And Only You

Every single blade of grass
And every flake of snow
Is just a wee bit different
There's no two alike, you know.

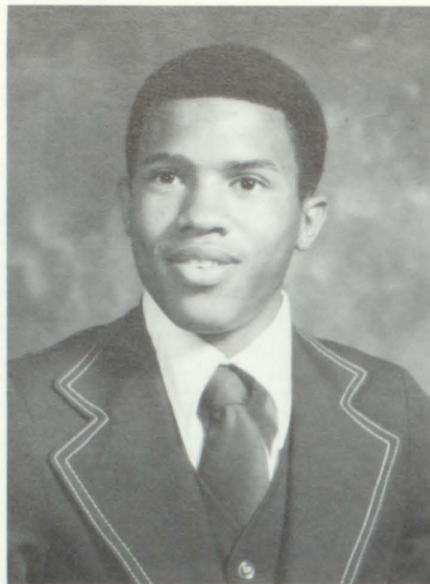

From something small, like grains of sand
to that gigantic star,
All were made with this in mind;
to be just what they are!

How foolish, then, to imitate,
How useless to pretend,
Since each of us comes from a mind
Whose ideas never end.

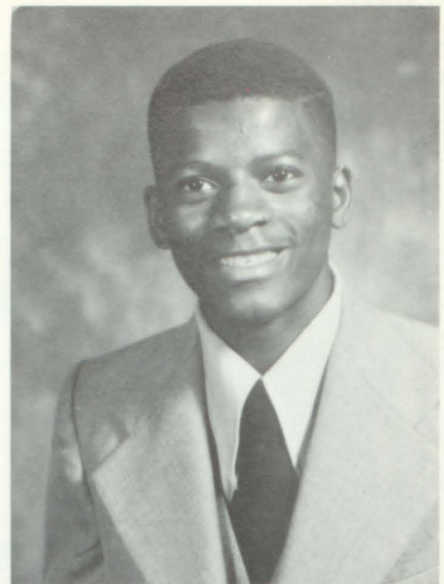

There'll only be just ONE of ME
To show what I can do,
And you should, likewise, feel quite proud
There'll only be ONE of YOU.

Anthony Gurley

Football news reporter, Robin Pulliam interviewing Coach Russell.

Mr. Anthony Russell is the new Head Coach of the Varsity Football Team at Central High School. Under Coach Russell's supervision with the help and support of the assistant coaches, students, parents, teachers, staff, and the council men of Newark, our football team made tremendous progress this year.

Head Coach Russell is a graduate of Elizabeth City State University N.C., class of 1970. He came to Central High School in 1972. For four years he assisted the varsity teams and coached the Junior Varsity. Coach Russell also played football four years while attending Elizabeth City University and made All Conference Team his Junior and Senior years.

Coach Russell says, "the key factors in our winning team this year were; hard work, dedication and support from everyone." Although this is my first year as Head Coach, the team really produced. I really enjoyed coaching the team — although there were things we could have done differently or better. But in the future I see us winning the City title, then on to the championship if we get the cooperation and discipline from the athletes."

REFLECTIONS:

Four years. For some it has been too long. Others have felt it has been good days and good times, but everyone agrees it has been an experience. Our freshman year seemed different in many ways, but it was a beginning. A chance to meet people, start an athletic career, and grow as individuals. It was our time now to enjoy the maturity shared only by our peers before us. Who can't remember looking up to seniors and wishing to have their nonchalant attitude? The dominant idea that sticks in our memories is the spirit shared by everyone. Saturday football games, crosstown rivals, and pep rallies headed by cheerleaders. Sophomore days of being involved, getting our feet wet, and an election in November yet to be resolved. It seemed difficult for many of us to leave friends who had become our security, but we would adjust. No graduation with the people we had learned to share important years of our lives with. One thing we had to remember: change is always needed (the White House welcomed President Carter). And yet even though we were but seventeen, the eighteen year old vote would soon be power in our hands. In one year it would be our chance to get involved and help form a new society. Hopefully the wait would pass quickly.

We left much, but then in our junior year we had the opportunity to establish the traditions which came to be known as the best graduating class. While chocolate life saver lollipops weren't exactly a financial bonanza, a Victory Dance in October was. Yes, there were many things to be grateful for. Missing our old friends was behind us now, and we had carried on where other schools had left off. We had a closeness now. The Talent Show was a hit, but there would be more spectacles just ahead.

Our senior year. Now we begin to think of independence, new faces, and challenges which will shape our tomorrows. We have wondered at numerous social and historical events. Confusion, instability, and corruption. But more fondly we will remember June 1978. Now let us work to achieve dreams, contemplate opportunities, and begin from this day.

Farewell
